Join over 100,000 people working smarter with NX300 Pro Cordless.

The Fastest-Growing Pro Cordless Battery Network

3 NEW PRODUCTS for 2026

Why Pro Cordless?

- 
More Time to Clean
- 
Lower Maintenance
- 
No Cable Trips
- 
Lower Noise
- 
Lower Energy Cost
- 
All Hours Cleaning

Cordless isn't a feature upgrade. It's a productivity upgrade.

- ✓ 20% Faster Cleaning*
- ✓ Reduced Trip Hazards
- ✓ Increased Operator Mobility in Congested Areas
- ✓ One-Fits-All Reduces Equipment Cost

NX300 Battery What's New for 2026

Built for tough environments, the new NX300 battery pack delivers stronger, smarter performance with:

- ✓ IPX6 Ingress Protection: IPX6 Market-leading enhanced water ingress protection for everyday durability.
- ✓ Improved Display: Clear, easy-read charge indicator.
- ✓ 3-Year Warranty: Long-term reliability for your Pro Cordless Network.

*Time and motion study evidencing faster cleaning from reduced plugging/unplugging, cable management and increased operator mobility.

*Please note: Images of the battery and charger may vary from product.

RSB Pro 5

Total Performance. No Compromise.

The most complete backpack vacuum on the market, providing best-in-class performance with every use.

- ✓ Lightweight & Ultra-Slimline Design
- ✓ Maximum Coverage with 80mins Runtime
- ✓ Supportive, Comfortable Harness
- ✓ Ultimate Hygiene Standards with HEPA13 Filter
- ✓ Made Using 29% ReFlo Recycled Material
- ✓ One-Fits-All NX300 Pro Cordless Network
- ✓ Extend Versatility with Additional Height & Productivity Kits
